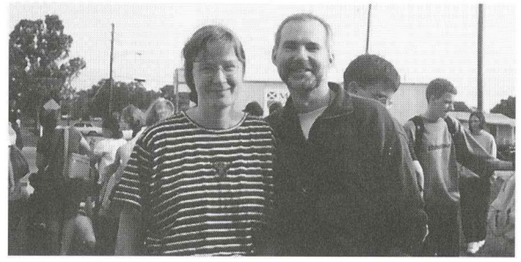
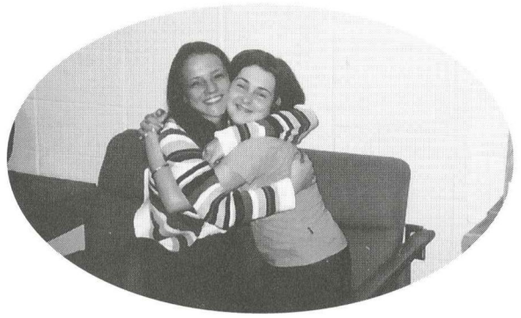
Making a

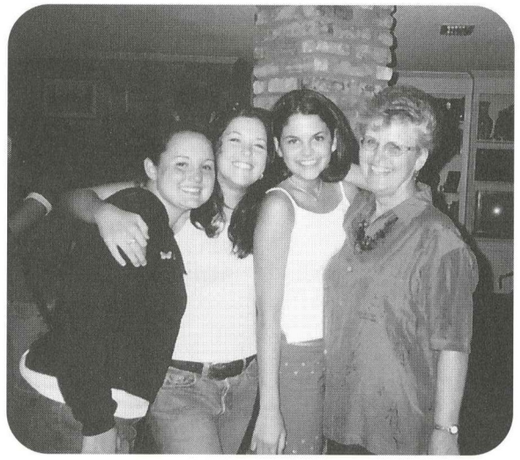
There's one program at PHS that has made a difference across the globe. PHS joined the German American Partnership Program (GAPP) in 1997. Our German teacher, Helga Arrington, saw a magazine ad promoting this program in the U.S. For the past four springs, we've enjoyed an exchange with Berufsbildene Schule in Hilden, which is near Dusseldorf and Cologne, Germany. About 20 students and two teachers travel across the seas to the Gulf Coast each year. They stay with host families and follow a very active schedule. Some of the more popular events include trips to Ship Island, New Orleans, and local tourist attractions. Mrs. Arrington accompanies about 10 Pascagoula students to her homeland in the summer. There, the German teens return the hospitality. They make day trips to Bavaria and Austria where they see castles and the birthplace of Mozart. They also visit Switzerland, France, and the Black Forest. Mrs. Arrington credits computers with bridging the international gap between classrooms. Although Mrs. Arrington is retiring this year, she is confident the program will continue because the success lies in the strong bond that has been formed between two schools oceans apart.



German instructors Insa Weinke and Horst Wilde are ready to enjoy a day at ship island.



Miriam and Alex cheese it for the camera.



Jennifer Graham, Marion Warfield, Laura Hague, and Mrs. Arrington have some fun at the Warfield's farewell party for the German guests.

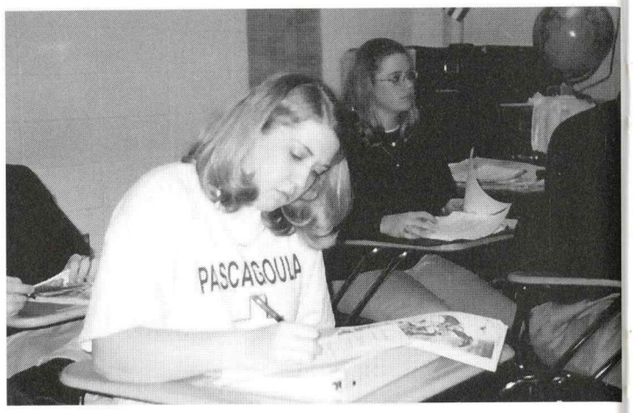
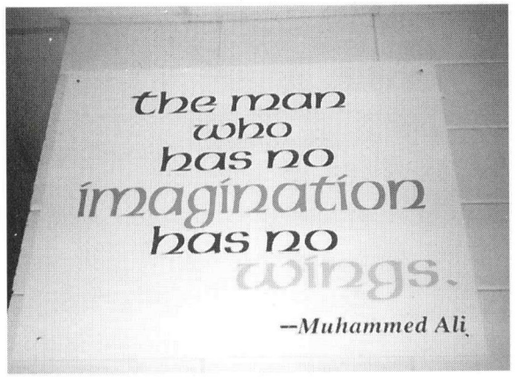
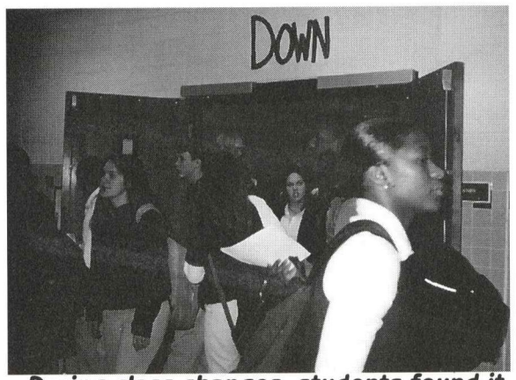
Allison Mather poses at her parking place, a reward for being one of the two juniors who made a perfect score on the FLE.



Diligently working on a history assignment, Natalie Mikhail shows that it takes hard work and determination to do well in school. Natalie also earned a perfect score on the FLE.

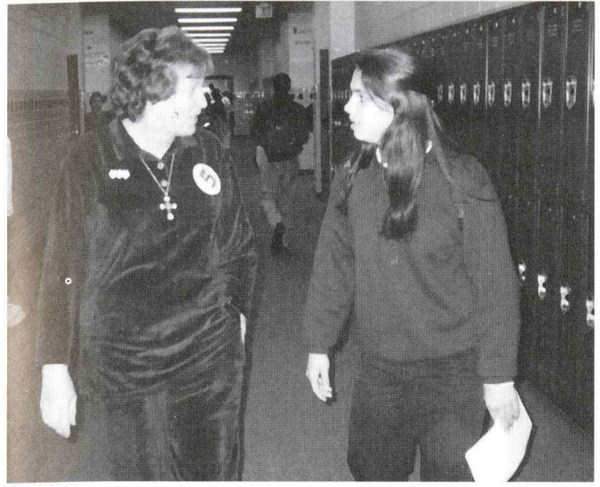


Signs like this one above were posted in the hallways after Christmas break.



During class changes, students found it was easier to travel between floors because of the stairs labeled "UP" and "DOWN".

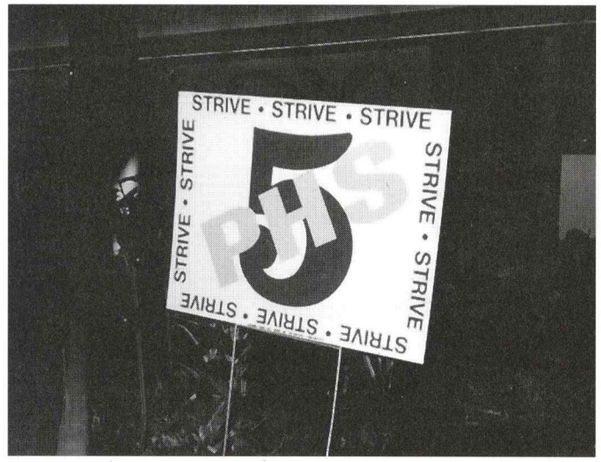
New policies, new privileges, and new people are what many students saw when returning this year from summer vacation. A new principal, Mr. Hank Bounds, established many new policies and privileges for PHS. Students returning the first few days of school considered our school a "concentration camp". "Walk on the right side of the hall!" "Quiet! Classes are in session!" ...common phrases shouted by teachers and administrators. After the weeks passed, many began to get used to the new system and numerous changes. Mr. Bounds wanted to solve the traffic problems in the halls, so he made the stairs leading to the second floor either up or down. Also, Mr. Bounds instituted "Bell Activities" at the beginning of a block and encouraged teachers to keep students engaged in learning for all 95 minutes of the block. Uniform policies became more strict with a zero tolerance policy against being out of uniform. Also, jackets were not allowed to be worn in school. Privileges came along with the new rules. Senior parking in the stadium was established. Another privilege included being able to wear club T-shirts on Fridays. This year, juniors spent hours in extensive review sessions for the FLE due to less than average test scores received in the past several years. The extra emphasis paid off. PHS juniors had the highest jump in test scores on the Coast. All the new policies are part of Mr. Bounds's campaign called "Strive for 5". He created this policy to raise the rating of our school from a 3.3 to a 5.0, the state's highest accreditation level. He describes this policy as a multi-phase campaign where each phase builds upon the phase before it. The phases include ensuring a safe environment for everyone, establishing a strict discipline policy, expecting more teacher accountability, parental and community involvement to create a user-friendly school, and very high academic expectations (no sleeping in class, completing homework on time, etc.). The many changes and differences are already making PHS a better place.

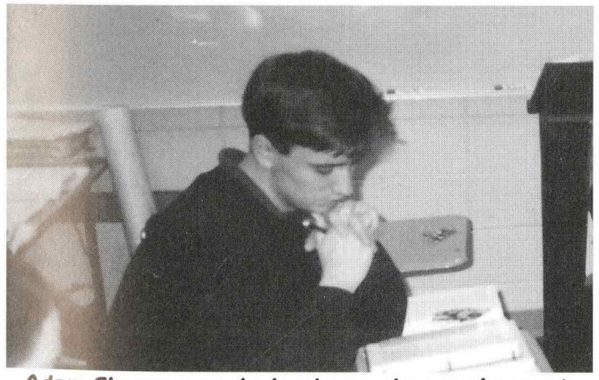


English teacher Mrs. Frye and student Leann Bosarge discuss how "Literature is life."

Students listen intently as history teacher Ms. Freeman introduces a new unit in her American History class.

STRIVE for FIVE





Adam Chapman works hard on a class assignment. Students found this year that working from bell to bell was enriching, but exhausting.

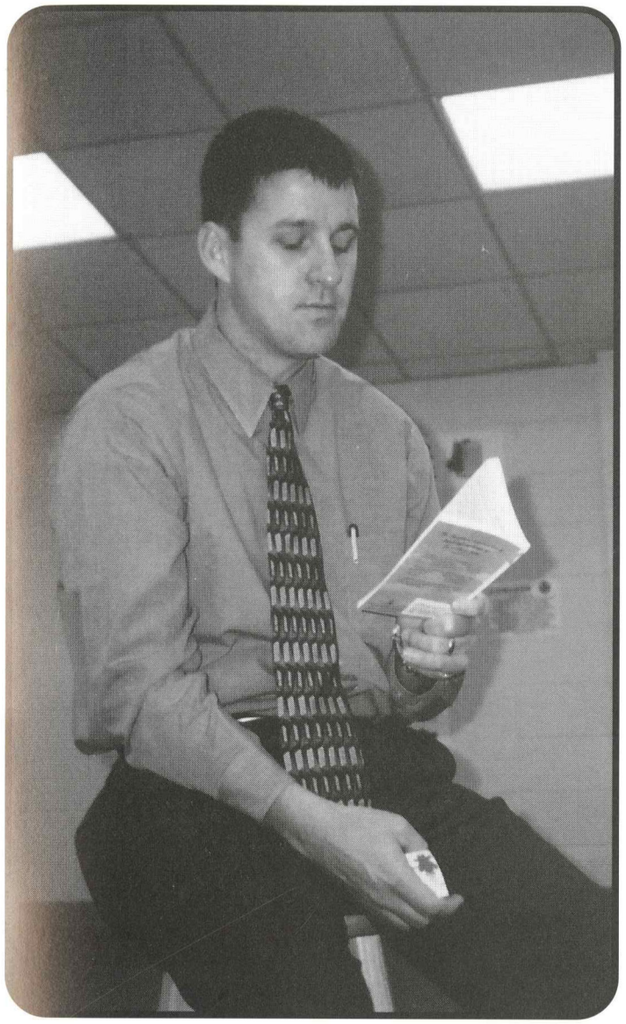
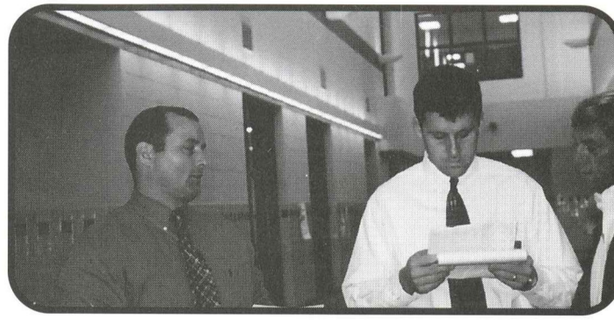
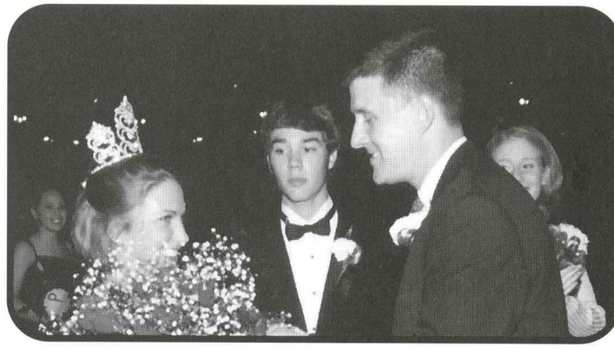
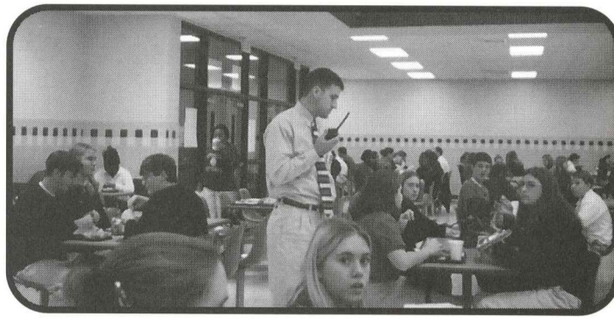
Meet the difference: Principal Hank Bounds









Energetic, optimistic, focused.... The list could go on for pages. ...dedicated, sincere, driven. All of these words describe one man at Pascagoula High School: Mr. Hank Bounds. He could be a leader anywhere; he's chosen to be OUR leader. His military background is evident in his strong push for discipline. ''Quiet during lunch changes!'' ''No talking while I'm talking!'' ''MAKE WISE CHOICES!!!'' We've all heard those words come out of his mouth. But to that drive for order, Mr. Bounds adds a personal, compassionate touch to his approach. Students trust him. They seek advice from him. They love to joke with him. Teachers feel the same way. They have such great respect for him because he delivers on his promises. Mr. Bounds would never ask any teacher or student to do something he wouldn't do himself. You can find him on duty every morning and afternoon. You find him sitting in classrooms. You find him at sporting events; you find him speaking to our many clubs. And all this while he continues his own education at Ole Miss. At the end of this summer, we will proudly call him Dr. Bounds. We, the yearbook staff of the 1999-2000 school year, salute him and hail him ''THE Difference'' at PHS!

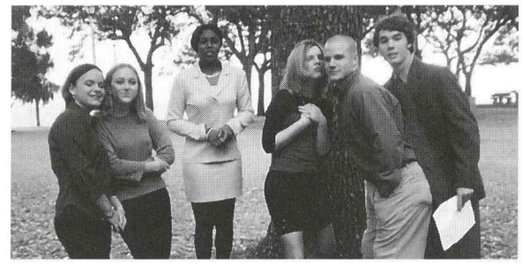
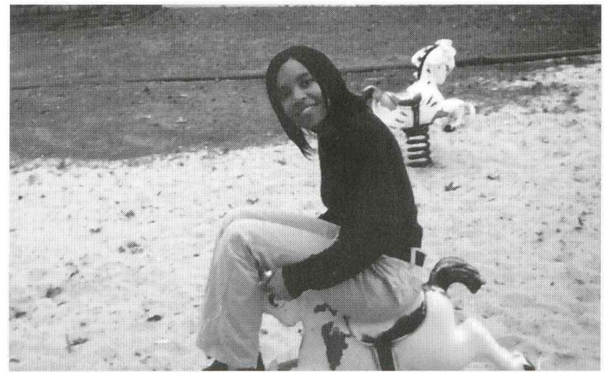
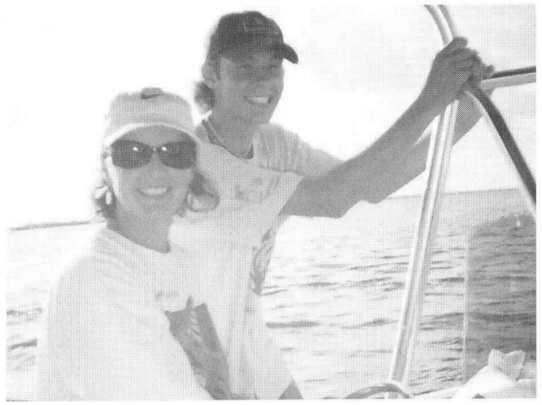
who's who

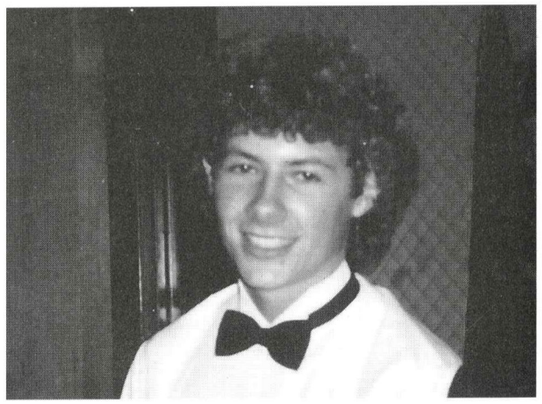


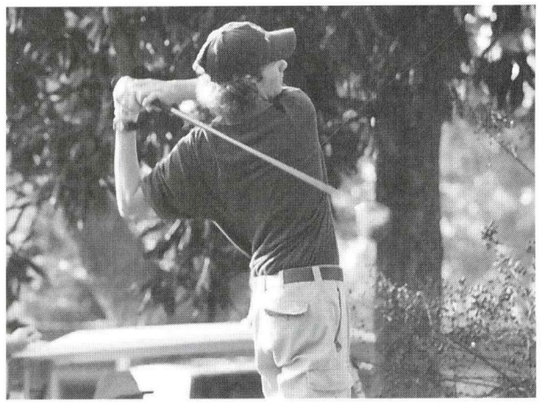


Mr. PHS

Jake McKenzie



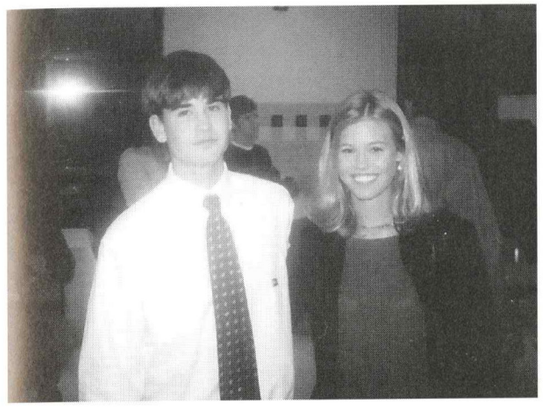


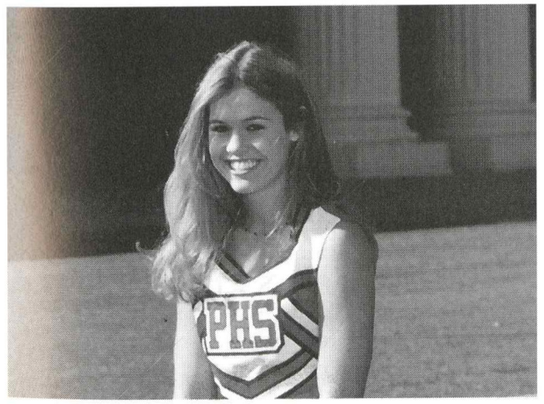


It is no surprise that Jake McKenzie is Mr. PHS 2000. Jake never meets a stranger. He makes people feel welcome; and they enjoy spending time with him. When you spot curly hair and a friendly smile amidst a group of students, you know it's Jake. When a hand bolts up after a teacher asks for some help, you know it's Jake's. Last year's BETA Club selected him to represent the club at the annual conference. The club's slogan was a takeoff of the popular "Got Milk?" ads called "Got Jake?" Pascagoula High's got Jake and we're proud of it!

Miss PHS

Jessica Banahan





The first thing that comes to mind when you think of Jessica Banahan is her smile. It lights up the whole school. Jessica is also well-known for her leadership qualities. By day, she leads the student body as its president and by night, she leads the cheerleaders as one of their co-captains. She shows important leadership in another way, too. The oldest of three children, Jessica serves her brother and sister well as a strong role model. She's the Girl Next Door; she's America's Sweetheart; she's Miss PHS.

The German Club participated in many activities this year. The German Club is an educational program that teaches German traditions and cultures. The students went to Keppner's, an authentic German restaurant. At Christmas, they learned traditional German Christmas carols. Their biggest project occurred in the spring when students from Germany came to PHS and learned American customs. In the summer, some students from PHS will go to Germany and learn many German customs.

President: Andra' Robinson, V-President: Justin Strickler, Treasurer: Lindsay Miller, Secretary: Angela Bilbo

Fellowship of Christian Athletes is a student lead organization made up of Christian students. Pascagoula High School's group calls itself Fellowship of Christian students to ensure that all students know they're welcome. Every Friday morning at 7:45 we meet, fellowship, and have a good time. There is a different speaker or activity at every meeting. We also have numerous testomonies given by students and teachers. This year our sponsors are Coach Merrill and Coach Chancellor who are both great individuals and Christian role models. So if you ever have a chance to join FCA, I urge you to not hesitate. It can be a decision that completely turns your life around.

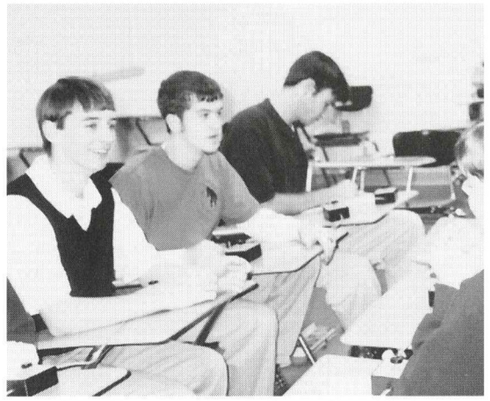
The Scholar's Bowl team practices for a meet.



Garret Emerson, Garreth Blackwell, and Nathan Huntwork take a break during Scholar's Bowl practice.

This year, the PHS Scholar's Bowl teams's usual success was again accomplished. Each week they played teams from Hancock, Harrison, and Jackson counties. They came out to be the highest scoring team and were never undefeated in a regular match. Thanks to the hard work, talent, and dedication of this gifted group, the Scholar's Bowl team contributes much to Pascagoula Pride.

This year the Peer Helper program was established at Pascagoula High School for the first time in the school's history. Peer helping programs have been in place on the school district's junior high and middle school campuses for many years. Many of the 9th-12th grade students participating in the PHS program served as peer helpers during their 7th and 8th grade years at Trent Lott and Colmer Middle Schools. Important qualities necessary to be an effective peer helper include being responsible, sensitive to the needs of others, and self-aware or self-confident. Peer helpers need not be a top or even an above average student academically speaking. 1999-2000 PHS peer helping projects undertaken by the group this year include individual peer tutoring for those students desiring extra help with specific subjects, new student tours for those transfering to PHS during the school year, as well as well as 8th to 9th grade orientation activities designed to help incoming freshmen mke a comfortable transition to the PHS high school environment.

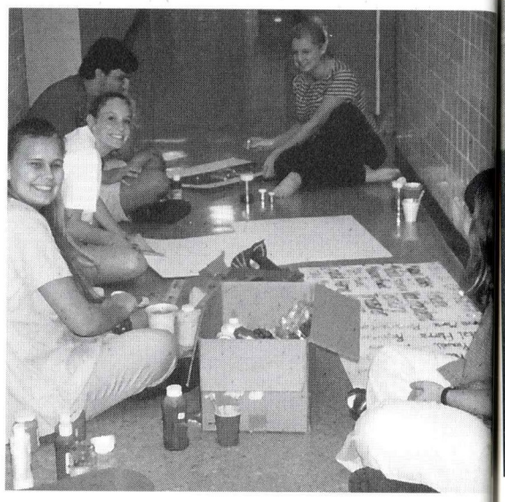
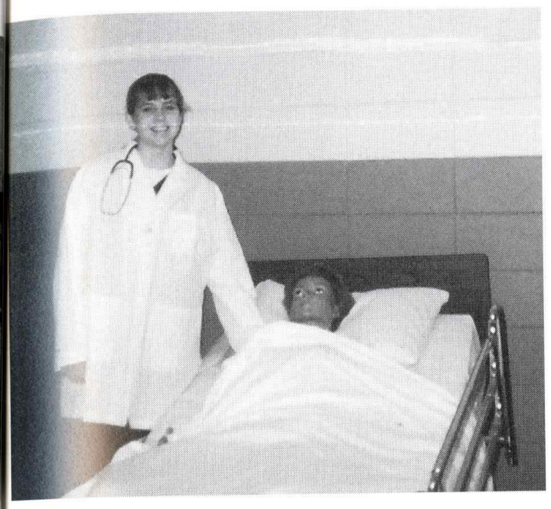
FBLA



The Future Business Leaders of America ha had a very busy year. Three officers attended a leadership training conference i Tupelo, Mississippi in September. FBLA members worked long and hard trying to make their homecoming float the best. The then had their candy sales to raise money f competition. They also sold McRae's Chari Sale tickets and two members along with M Carol Thomas, the advisor, volunteered t assist McRae's during the charity sales event.

When Halloween rolled around, FBLA teame up with HOSA and launched a canned-fooc scavenger hunt, collecting over 200 cans which were donated to the Salvation Army Then at Christmas time the club decided t adopt an angel from Singing River Mall in hopes of giving an unfortunate child a Christmas to remember. In February, members competed in the FBLA District Leadership Conference in various business subject areas, such as Accounting, Job Interviewing, and Computer Concepts. Winners went on to Jackson to compete a the state leadership conference. Later, FBL participates in the March of Dimes Walkathon in May. The club ends the year with their annual Applied Technology Cente barbeque for vocational club members on th last day of school.

HOSA



HOSA is a curriculum-based student organization for students who are interested in the health care field. Students must be in the health care field. Students must be in the health cluster to be in HOSA. They can attend leadership conferences and district, state, and national competitions such as the previously mentioned. DECA is an organization of students enrolled in Marketing I and II. DECA stands for Distributive Education Clubs of America. The club's purposes are to develop, instill, and foster leadership qualities, as well as to build self-confidence. The 1999-2000 officers are as follows: President- Roland Reynolds; Vice-President- Michelle Snurkowski; Secretary- Brenda Broudus; Treasurers- Stefanie Fowler, Jessica Edwards, and Amber Comeaux; Reporter- Kerry Kelley. DECA participated in the PHS and GHS Homecoming parades. DECA received First Place for the Best Decorated Float in the PHS parade and First Place for Most Spirited in the GHS parade. The club is very active in the community members prepared food baskets to give out during Thanksgiving and Easter. Also, the club participated in the Adopt-An-Angel program for Christmas.

Technology Student Association is a club fo rthose students who are presently enrolled on, or who have completed, a technologically oriented course. This national organization is commited to helping America's students ''learn to live in a technical world.'' each year at regional competition, and later at state competition. Members from each school compete with one another in various technology-related events. These events range from constructing an architectural model to presenting a prepared presentation to a panel of judges.

Although TSA has been at Pascagoula High School for only three years, it continues to grow every year. It successfully makes a learning environment as fun as possible.

Beta Club is a civic organization offered to PHS students who uphold an outstanding academic record. Members participate in many community service activities such as regular nursing home visits and this past year's special project was helping the Lion's Club promote the preservation of eyesight. Each year, Betas attend the state convention where they compete in academic and talent contests and run a candidate for a state office. Adam Chapman was the club's 2000 nominee for state President. Through Beta Club's promotion of scholarship and leadership, PHS students learn much from their membership and view being part of the organization as a great honor.

This is only the second year that Pascagoula high School has had a chapter of the National Junior Beta Club. Both years the membership has exceeded 55 students. Only freshmen that maintain a 5.0 QPA, satisfactory conduct, and enrollment in at least one accelerated class are eligible for membership.

The Junior Beta Club is a very active organization. The members participate in projects for the Bay Towers nursing home, teacher appreciation, and other worthwhile causes. In addition, they attend the state convention in late April each year and complete in many events there.

Ms. Ezell talks with old members about induction.

NHS is a service club that, consists of 10th, 11th, and 12th graders who show outstanding academic abilities and leadership qualities. We do many things to help our community as well as our school. This year we have participated in several community projects such as visiting Bethel Day Care for Halloween and adopting an angel at Wal-Mart for Christmas. We have also sponsored a trash pick-up on the school campus and later this month we will be visiting Bay Towers nursing home. Our state project this year is Easter Seals, which will benefit people with down syndrome in this area.

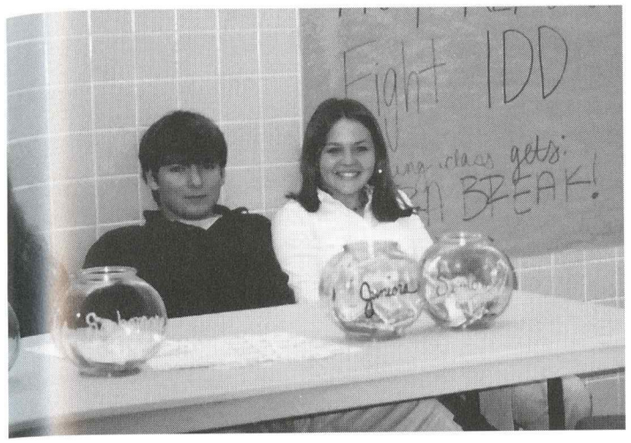
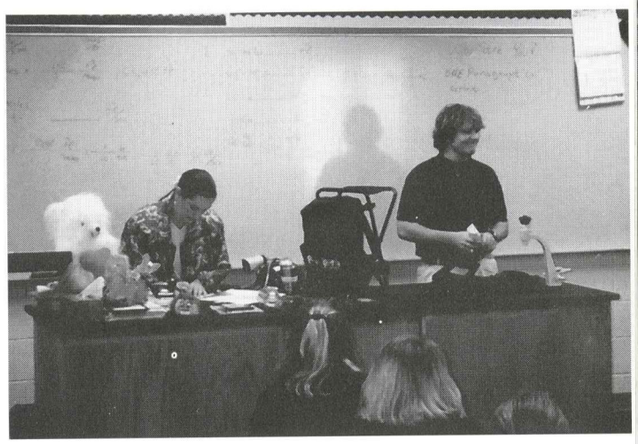
CLUB





Key Club is a service and leadership organization with more than 80 members. It is sponsored by the local Kiwanis Club of Pascagoula. Members are active in service projects such as Thanksgiving baskets and providing school uniforms. Key Club has also been active in many fund raisers for Kiwanis such as the annual Kiwanis auction. Key Club prides itself in having the most pride and spirit at Pascagoula High School; we have been awarded pride and spirit awards during Homecoming for several consecutive years. Pascagoula Key Club has grown from one of the smallest, inactive clubs to one of the largest, most active clubs on campus. With the help of Mr. West, Mrs. Brogdon, and a hard working executive board, this year has been one of the most successful in years.

No Difference

Small as a peanut,
Big as a giant,
We're all the same size
When we turn off the light.

Rich as a sultan,
Poor as a mite,
We're all worth the same
When we turn off the light.

Red, black, or orange,
Yellow or white,
We all look the same
When we turn off the light.

So maybe the way
To make everything right
Is for God to just reach out
And turn off the light!

This year I served as the 1999-2000 Drum Major. This has been both a memorable and a learning experience for me. In November of 1999, all of our hard work was put to the test at Gulfport High School for our Marching Festival. We came home with straight superiors and four trophies. This band pulled it off again. As the class of 2000 leaves so does Mr. Ball. At the end of this year he is retiring. The class of 2000 is the first and last class to be with him all four years. We will miss you Mr. Ball. Thank you for choosing me as your last Drum Major. It really meant a lot to me. Thank you for making band my senior year a memorable one.

I think Jeremy has an idea!

Mrs. Belk, this is Student Council, not History class.

Is Hanson doing his homework during Student Council?

The PHS Student Council is made up of nine elected members from each grade. The Student Council plans ways to better the school. Through-out the year we participated in many projects. We organized the Homecoming parade and planned the activities for Spirit Week. We held two blood drives and had one of the highest donor levels on the coast. During Thanksgiving we had a scavenger hunt to collect can goods for charity. Almost Anything Goes was a huge success. Overall, 2000 was a wonderful year that has been filled with many activities.

That man is a success who has
lived well,
laughed often and loved much;
who has gained the respect of
intelligent men
and the love of children;
who has filled his niche and
accomplished his task;
who leaves the world better than
he found it,
whether by an improved poppy,
a perfect poem or a rescued soul;
who never lacked appreciation of
earth's beauty
or failed to express it;
who looked for the best in others
and gave the best he had.

New Friends and Old Friends

Make new friends, but keep the old;
Those are silver, these are gold.
New-made friendships, like new wine,
Age will mellow and refine.
Friendships that have stood the test—
Time and change—are surely best;
Brow may wrinkle, hair may grow gray;
Friendships never knows decay.
For 'mid old friends, tried and true,
Once more we our youth renew.
But old friends, alas! may die;
New friends must their place supply.
Cherish friendship in your breast—
New is good, but old is best;
Make new friends, but keep the old;
Those are silver, these are gold.

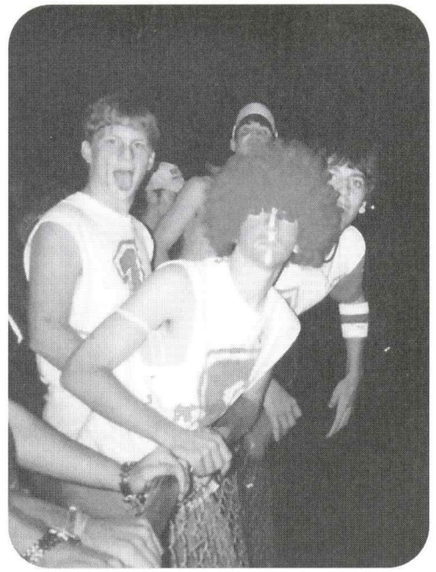
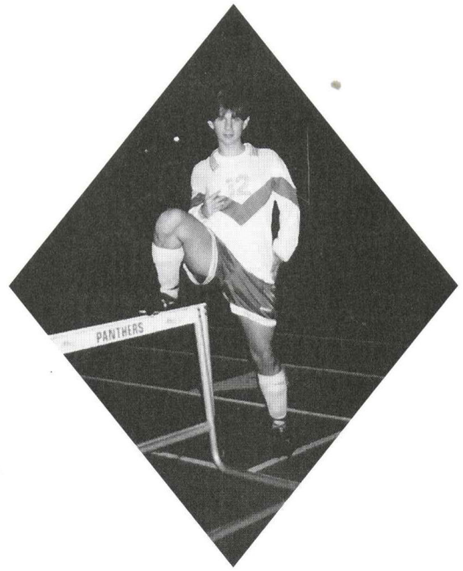
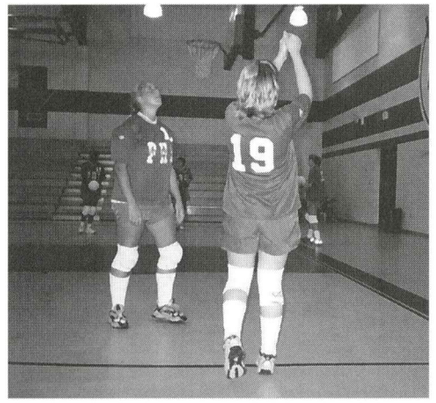
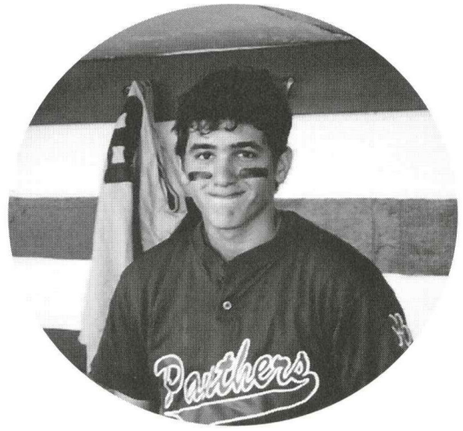
MAKING A DIFFERENCE

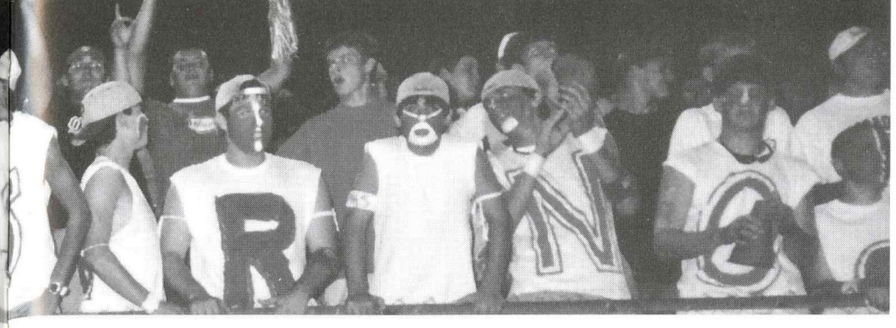


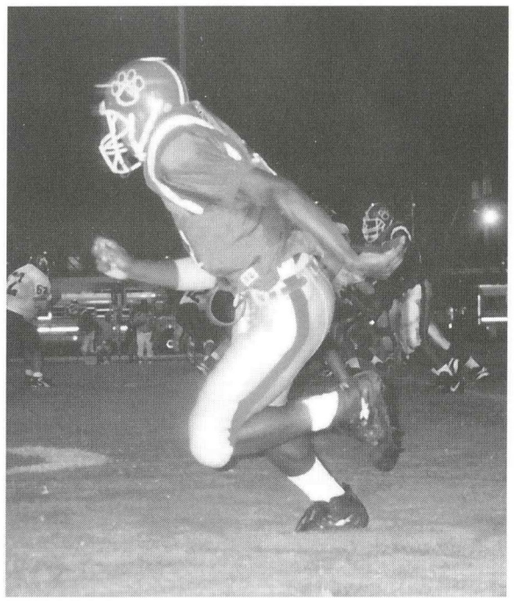


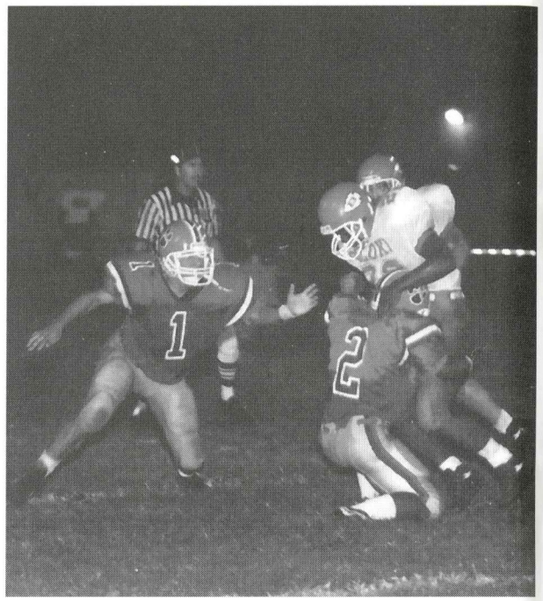


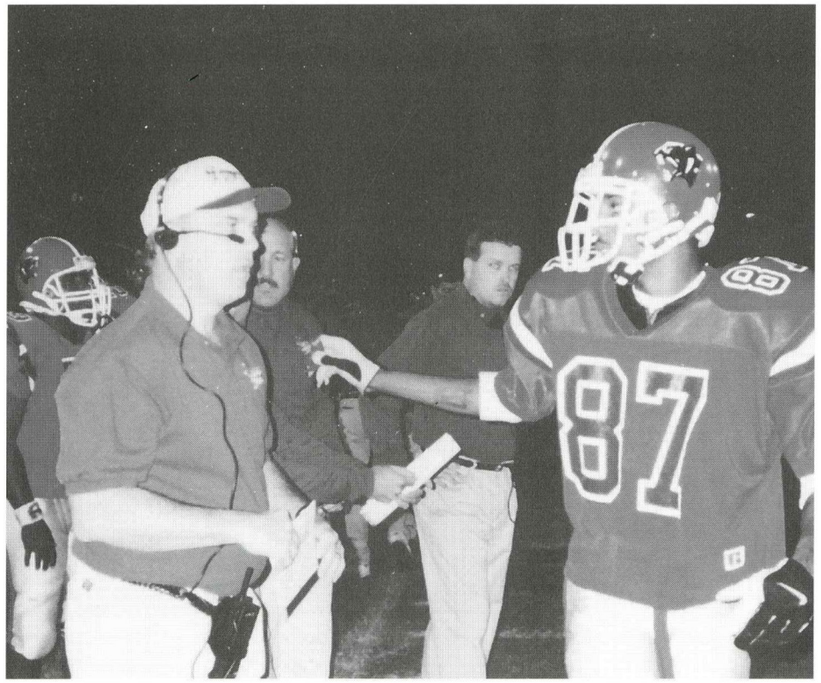


FOOTBALL









The 1999 PHS Panther football team helped to restore a large measure of respect for the football program with its ability to compete each and every week, as well as returning to the playoff for the first time since 1996. This team has laid the groundwork for our inevitable climb back to the top. PHS football is back!

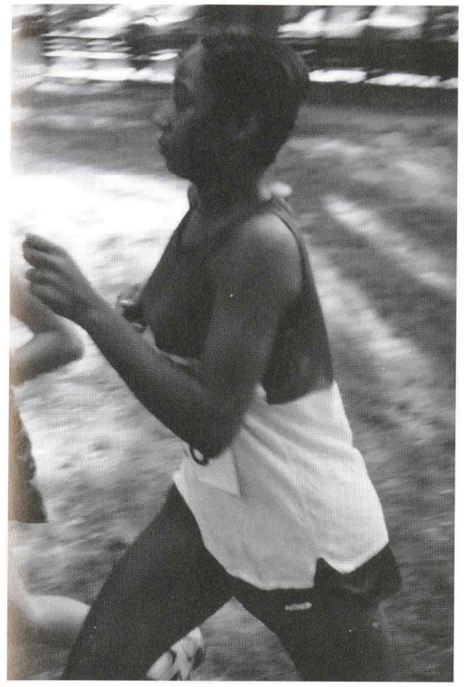
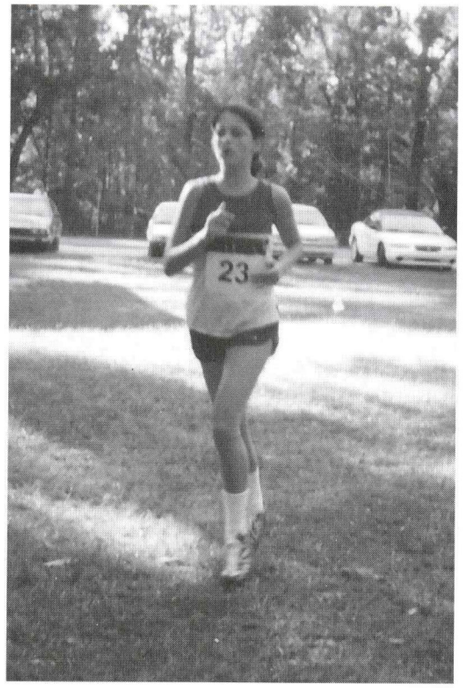
The Cross Country team started slow, but gained momentum as the season progressed. Boys finished 2nd in the Division, 2nd in the District, and 5th in State. Girls placed 3rd in the Division and 4th in District. Coach Burgo believes that this year was a rebuilding year.

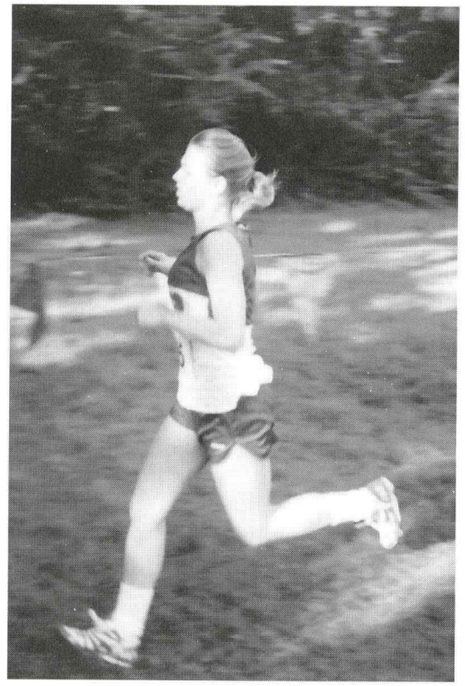


Rita Cook huffs and puffs as she rounds the turn and finishes the race.

Lauren Allen pushes herself harder as she reaches the finish line.



Laura Hague keeps up her stamina as she comes toward the finish line.



Carolyn Beeker feels the pain as she finishes a long distance run.

The 1999-2000 soccer season was a successful one for the Panthers. Due to the loss of 8 starting seniors, this should have been a rebuilding year. But the leadership of the returning 7 varsity lettermen the Pascagoula Panthers put together another playoff-bound season.

The season started out with a 5-4 win over rival, Gautier. This sparked the upcoming 10-4-1 season for the Panthers. In district play, the panthers fell short of beating #3 in state, Ocean Springs, by one goal in their two games. Looking for a second place finish the panthers beat Biloxi in both games. The Panthers traveled to Meridian for the first-round of the state playoffs.....

Captains Robert Tolleson and Seth Shepherd

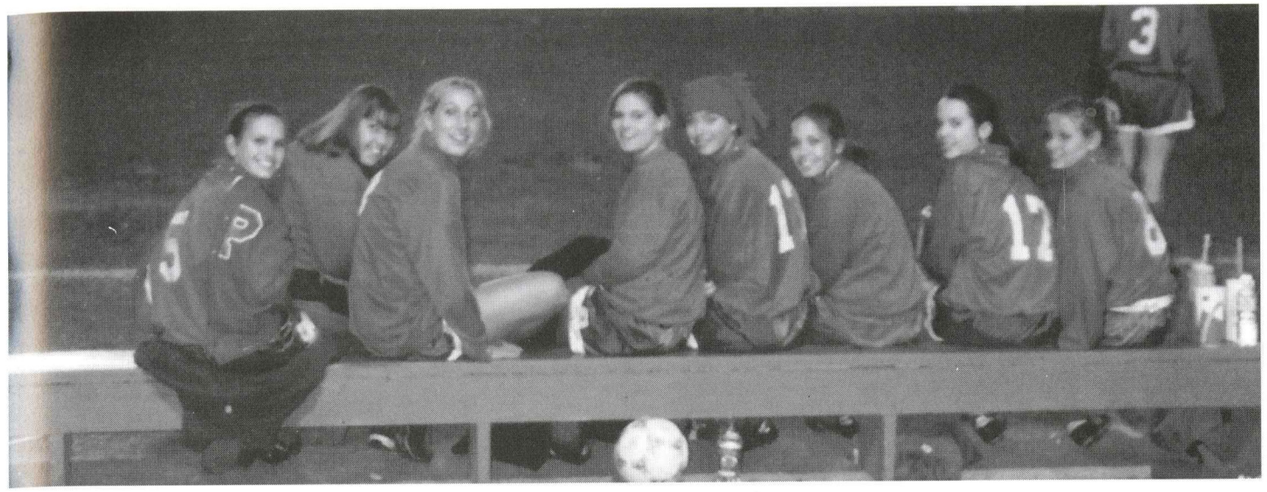
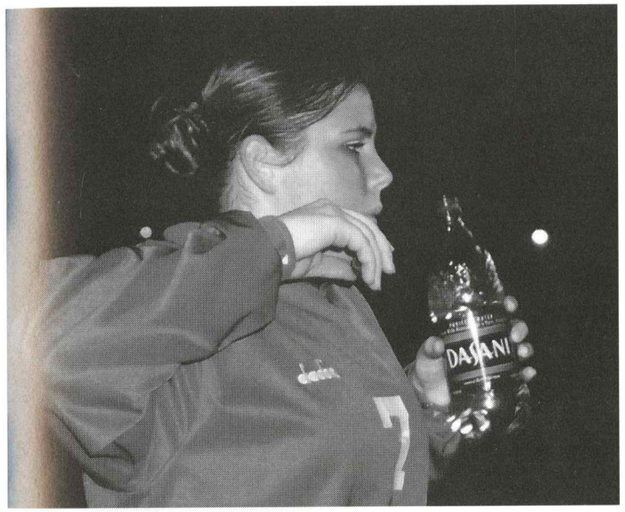
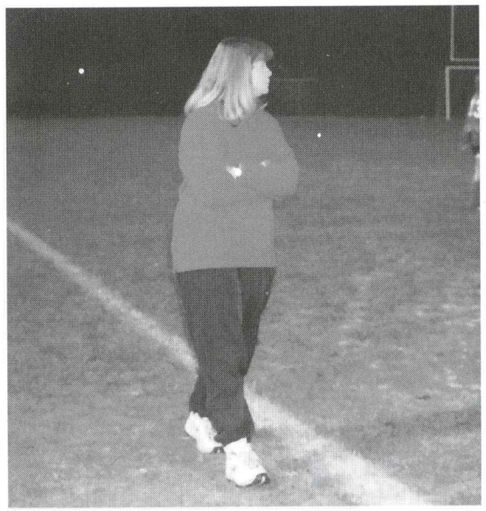
The girls have a quick pep talk during their half time break.



Panther girls show the true meaning of ''Riding the Pine.''



Christy Modica takes a break after a long half.



The 1999-2000 soccer season was a transitional year for the players, as well as for first year coach, Donna Bragg. We opened the season with a tournament in Pascagoula winning 2 out of 3 games. The next few weeks brought more wins and we were off to a good start. Our defense played tough all year as Maggie Hancock led the backfield and had good support from teammate, eighth graderSkye Shepherd. Katy Barksdale dominated the midfield by exemplifying her superiior skills at halfback on offense and defense. Jackie Darney who definitely is the most aggressive player on the team joined her. A combination of fancy footwork fromCasey Howard,Kerry Kelley,Lauren Taylor, and seventh grader,Whitney Stewartled the offense and threatened to score every time one of them had control of the ball.

In the middle of the season we lost several games and our spirits were down. However, we pulled it together to figt back during the district race. We played an outstanding game against Ocean Springs. We came back the next week and played even harder beating Biloxi. During the 2nd game against Ocean Springs we did not play our best and lost 4-0. The deciding game was played at Biloxi and the whole team made a tremendous effort but came up short of a victory. I think this was the best game of the year. The girl's played together utilizing their teammates. I think they finally believe they can win as long as they play together and give 100%.

Coach Bragg

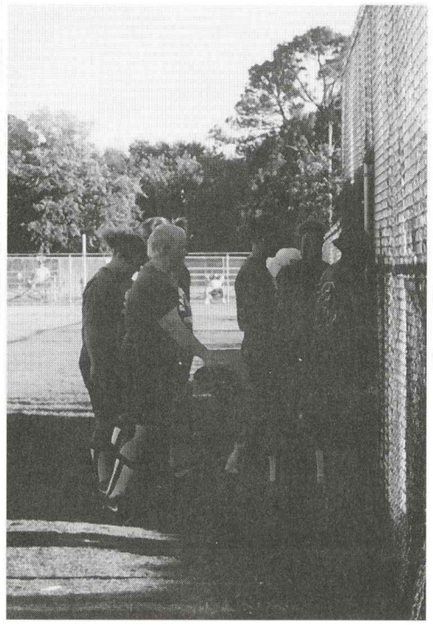
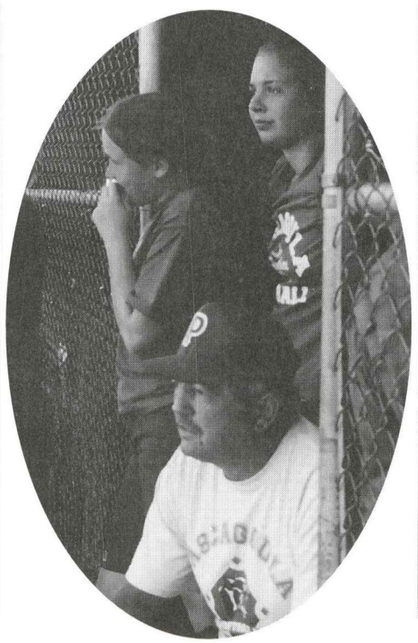
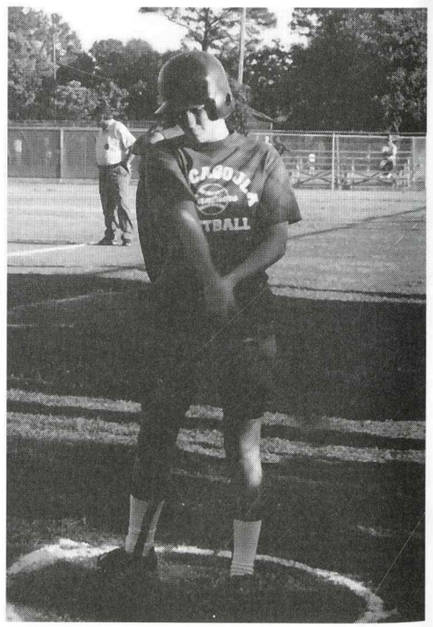
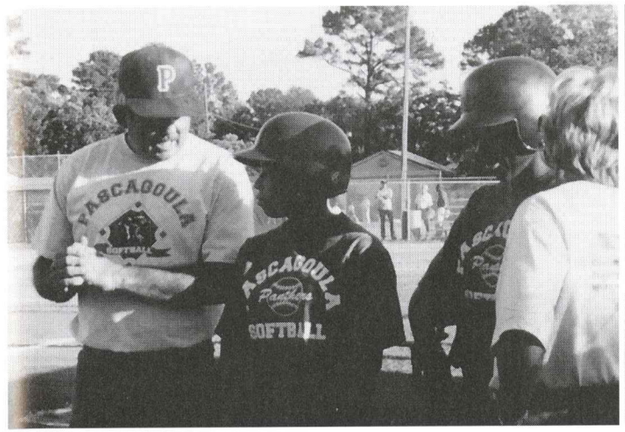
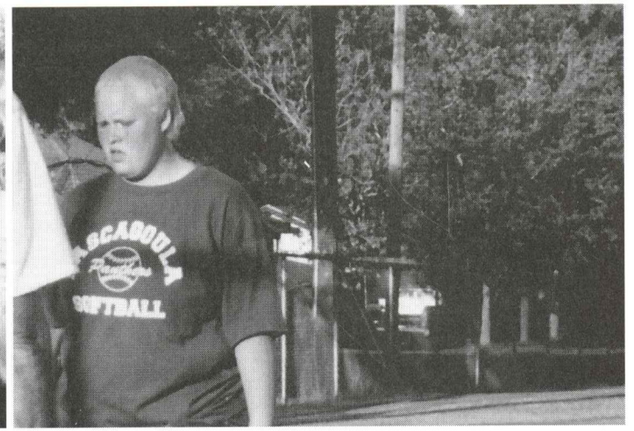
Front Row: Lindsay Fuller, Heather Driscott, Courtney Davis, Tootie Rasie, Brittany Thomas, Candace Joe, Jesse Mammomahalis, and Heather Hollis

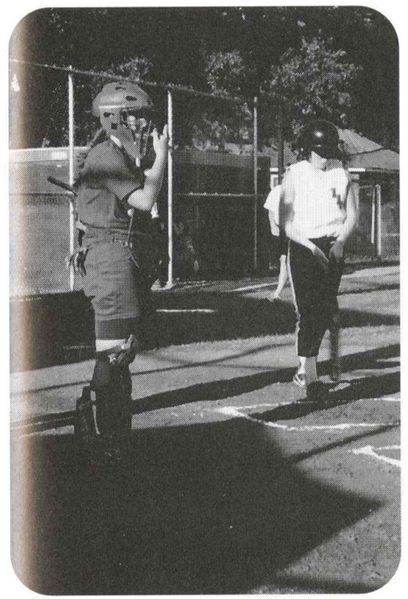


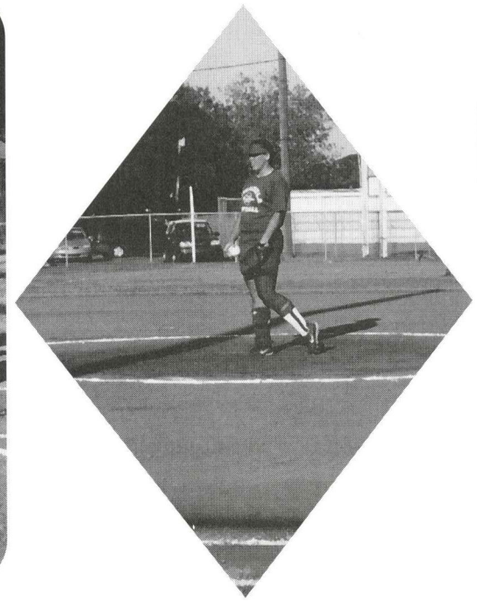


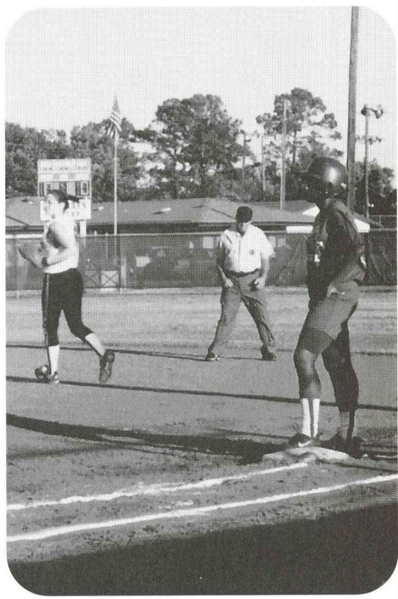












The 1999-2000 Lady Panther Softball team ended their season with a 23-7 record. They were undefeated in district games and went undeafeated in the Regional Tournament. Although the Lady Panthers were expected to do well in the State Tournament, they were defeated in the second and third game of the tournament. The bright outlook about this team is that they did not have one senior on the squad.

Second Row(L-R); Marion Warfield, Charlotte Heidelberg, Etienne Melcher

Marion Warfield backs up her double-match partner at a state match.

Matt McElhaney and Etienne Melcher take a break between matches.

PHS's tennis team has had a rebuilding year. After suffering from a player shortage at the beginning of the season, the team picked up and moved on for a remarkable season. This year every player qualified for state, six out of the eight coming in first place. Since there are no graduating seniors this year, next year is looking to be a very promising one.

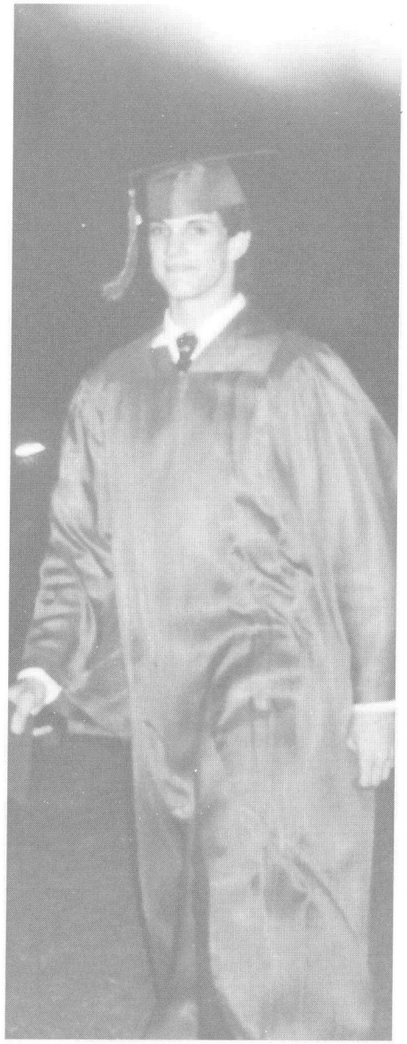
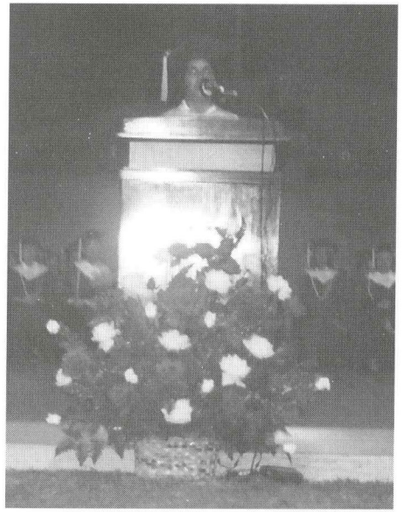
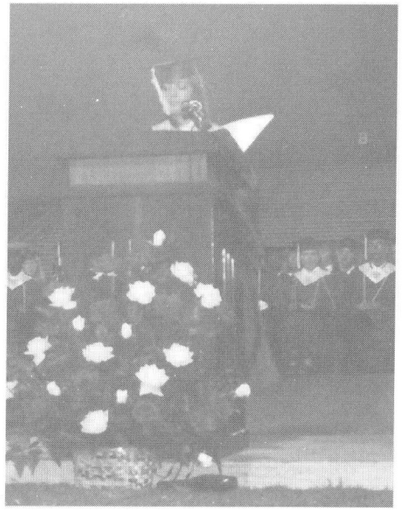
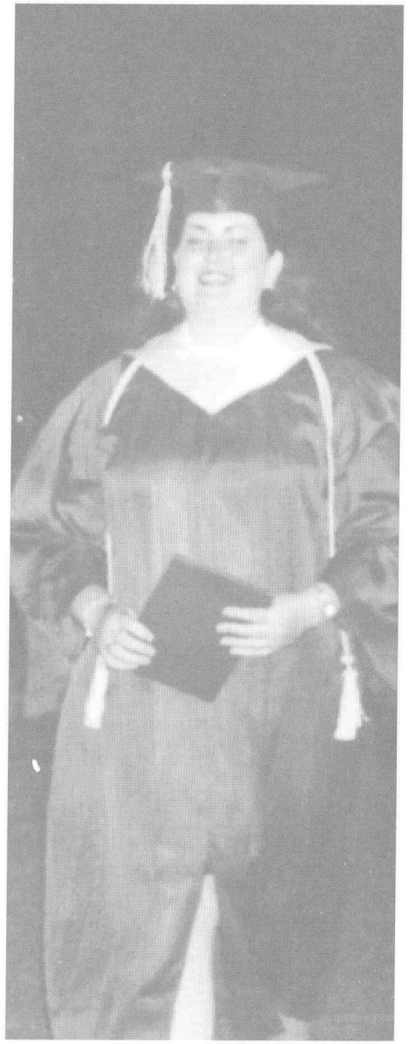
GRADUATION





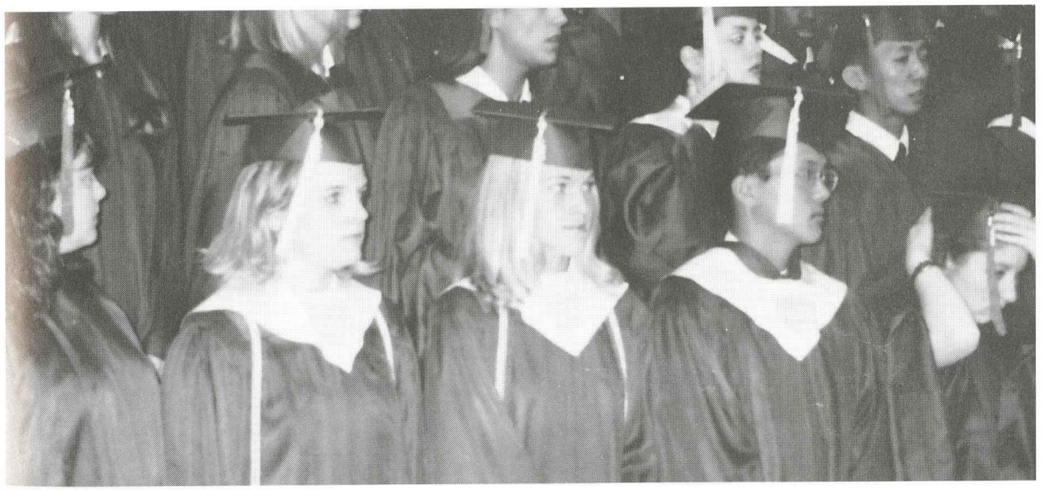




The Class Of 2000 Making A Difference

Caps & Gowns! That's the fashion du jour. They certainly beat the school uniforms.

Mr. Bounds and Mr. Rodolfich look happy to say their final good-byes to graduating seniors.



Graduation caps an emotional time in people's lives as they say goodbye to old friends and begin a new chapter in their lives. Seniors Christi Wilkins and Katy Barksdale listen to last-minute instructions.

LIFE

Oh how our lives have been planned out,
Until eighteen without a doubt.
School , college, clubs and games,
Long-standing traditions, pre-given names.
Identity given and taken away,
Being yourself at the end of the day.
Parents, teachers, sisters and brothers,
All caring for you, like most others.
Degrees, qualifications, aims and traditions,
Trying to fulfil dreams and ambitions.
Constant reminders of glory to come,
We will touch others, i.e., only some.
Remember your success is all up to you
It's all yours, what will you do?

In all the places we've lived and in all the schools you've attended, you've been the most adaptable, cheerful child we could have imagined. Now your spirit is ready to soar and take flight of its own. We are so proud of you and we love you.
Love Mom & Dad
Caroline & Katie

Margaret:

May the good Lord be with you down every road you roam
May the sunshine and happiness surround you when you are far from home
May you grow to be proud, dignified, and true
Do unto others as you would have done to you
Be courageous and be brave
And in my heart you will always stay... forever young
May good fortune be with you, may your guiding light be strong
Build a stairway to heaven with a prince or a vagabond
May you never love in vain
And in my heart you will remain... forever young
And when you finally fly away, I'll be hoping that I served you well
For all the wisdom of a lifetime, no one can ever tell
But whatever road you choose
I'm right behind you, win or lose
(Words by K. Stuart, J. Savigar, J. Cregan, R. Stewart, B. Dylan)

Congratulations!

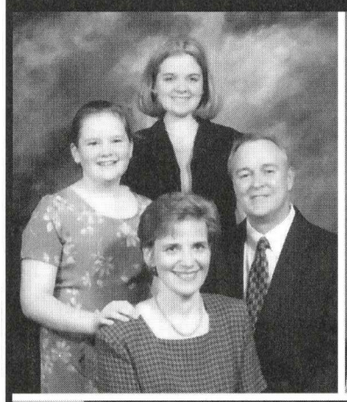
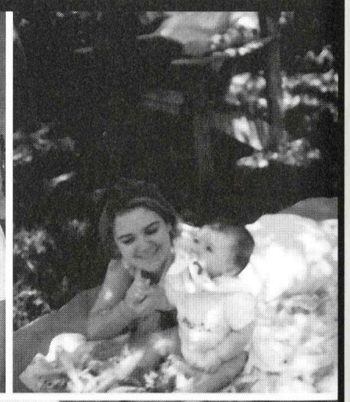
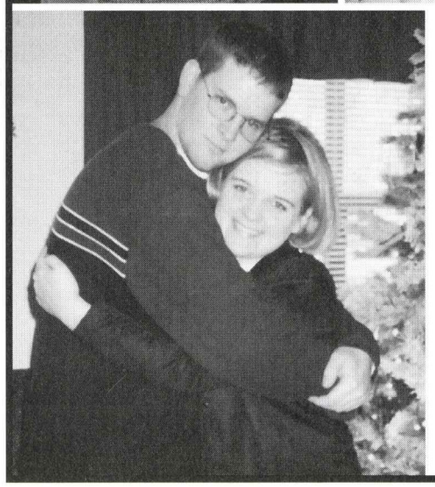
Sarah Cox,

There once was a time
When we thought we had it all
Come one Come again
Another was born so small
She smiled and she waved
From her starry perch
And we loved her the day
She touched this very earth
From Mars she did come
But we love her just the same
My Sarah, O'Sarah
We're glad that you came
Roses are Red
Violets are Blue
There is no one in this world
As special as you!

Lots of Love,
Dad, Mom, and Anne





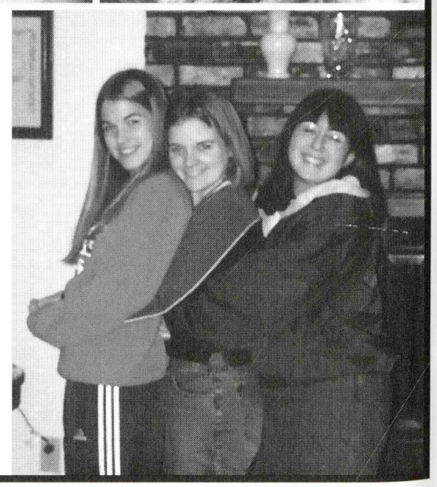


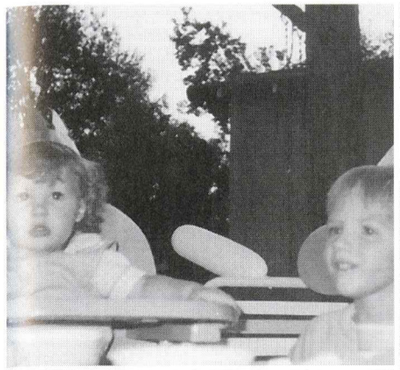
Christi,
For every ending, there's a new beginning.
For every memory, there's a dream ahead.

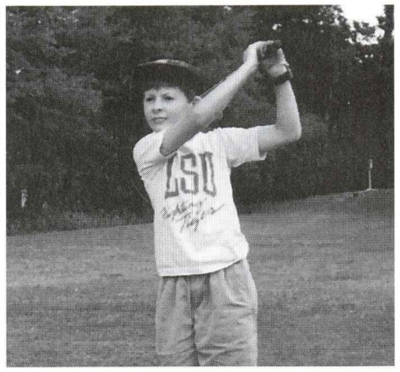
We're so proud of you and your accomplishments!
We love you,
Dad, Mom, and Brittany

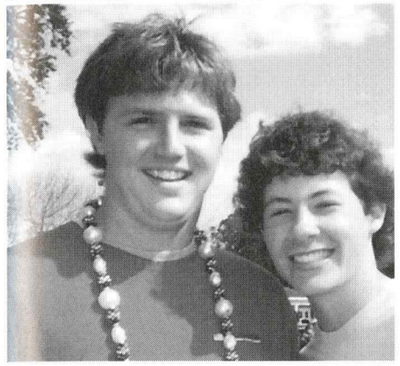
Through the years ahead I'll be at your side every step of the way. Thank you for all the love you have shown me.

I love you,
Brent





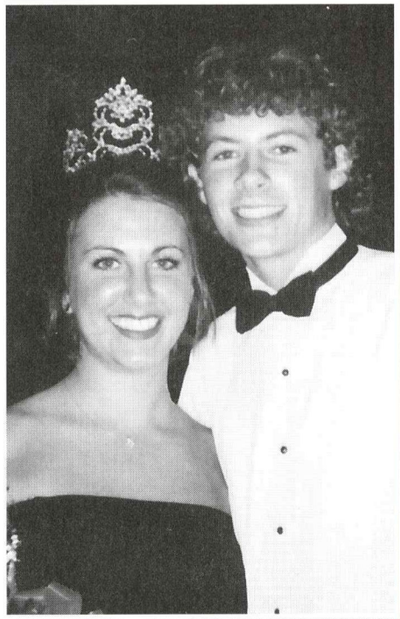


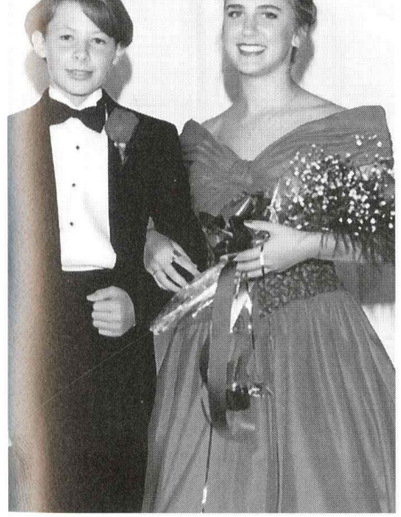


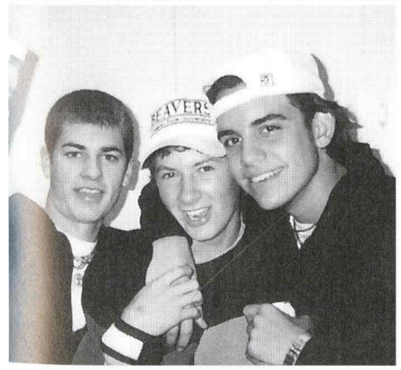
JAKE

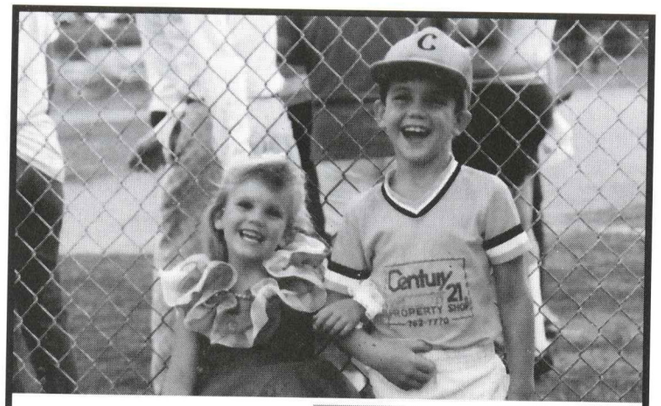
Night and Day, yes we are.
Sometimes so close, sometimes so far.
Growing up, you followed me
I watched out for you, still do
If sometimes need be.
Through the thickest of thick
We made a path, and when times were easy
We made them last.
Brother to Brother, yes we are.
I know I couldn't have traveled as far.
Without you, the laughter would end
Without you, who would be my friend?
So look back on these words one day.
And remember we go through life together.
It's easier that way!
Brother to Brother, yes we are.
Without you, I cannot travel as far.
Adventure awaits you around the bend
And the times behind you will never end
So think simple and live life free
And remember
Brother to Brother we will always be.

Love — Chuck









Wesley,
God's gift to you
was life
Your gift to him is
what you do with it.
We are very
proud of you.

"I went to Gulf Coast because it offered a lot of great things for me, including the Honors Program."

Robyn Davis, *Ocean Springs*
4.0 Special Honors Graduate
Perkinston Campus

"I'm ready for the university level because my instructors challenged me, and gave me the one-on-one attention I needed to succeed.

Living on campus at Perkinston was a terrific experience. I was away from home, but close to home. I liked the smaller setting and the strong friendships that it made possible. Scholarships and affordable tuition made it an even better choice for me."

and give to you the faith I have in
your strengths,
No mountain would be too high for
you to climb,
No detour would be able to keep
you from your goal,
Each morning would bring new hope

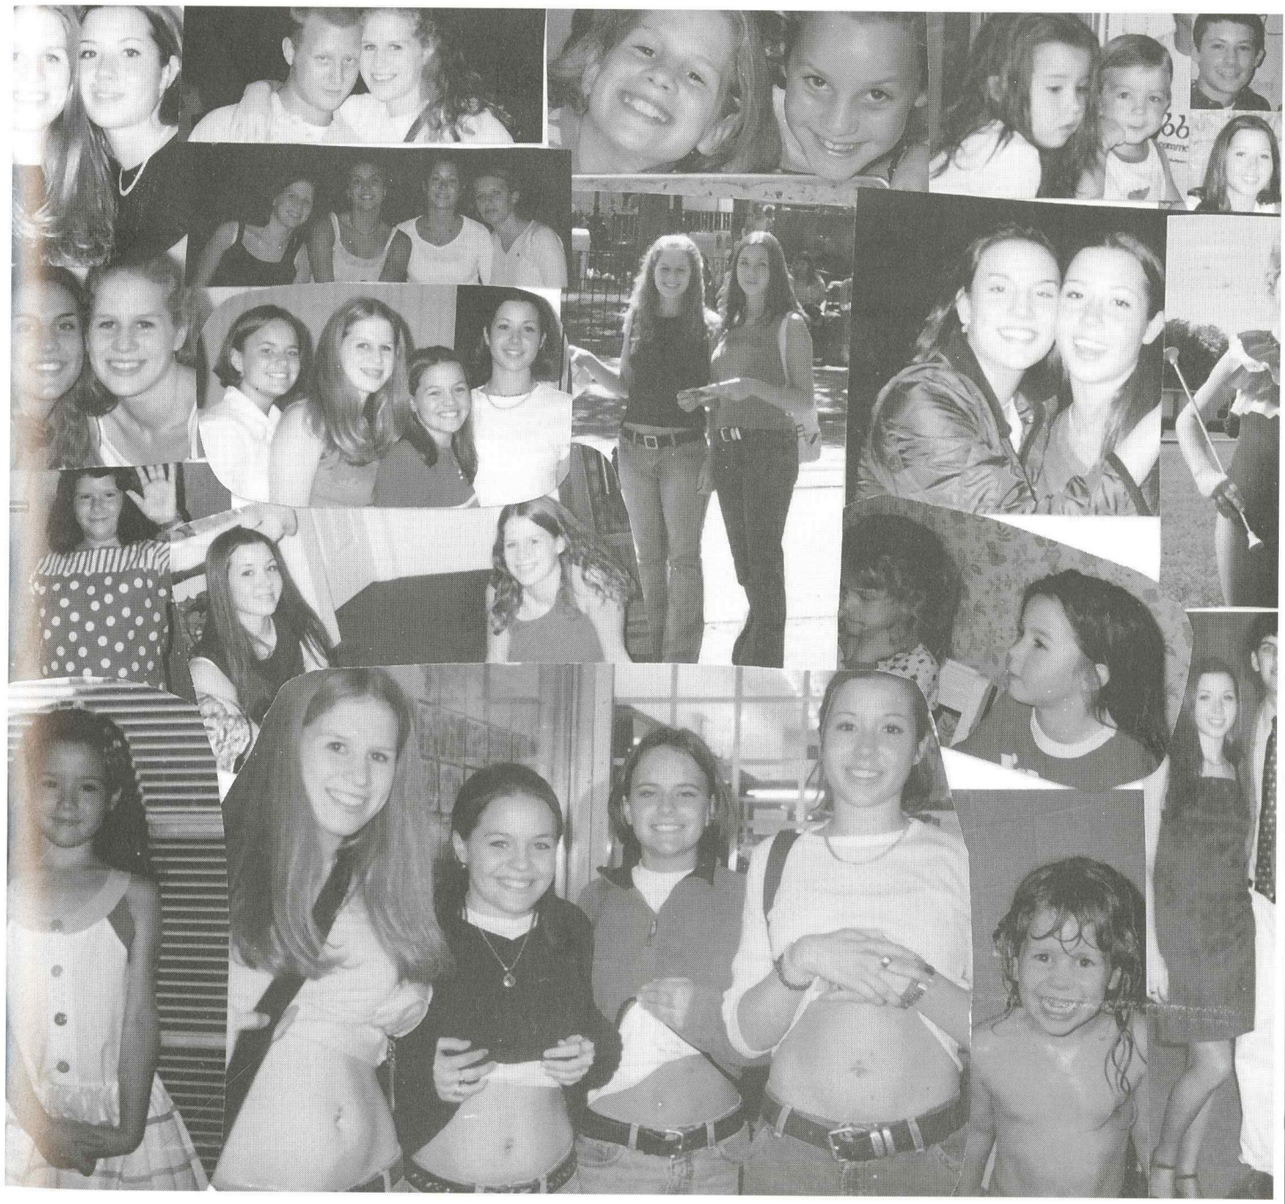
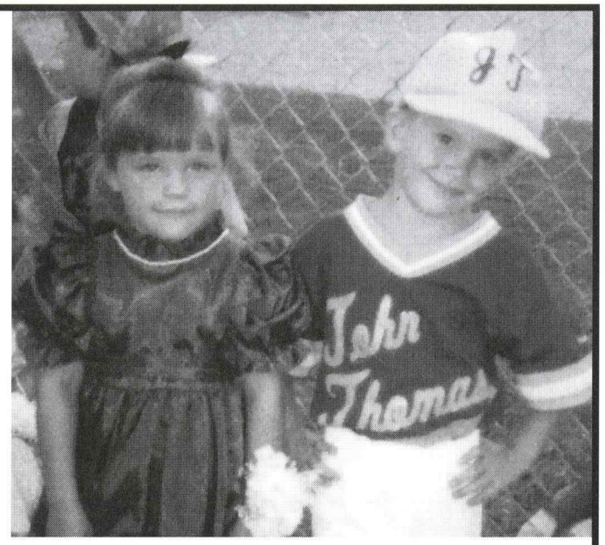
You have brought lots of laughter, a few tears, and so much love into our lives.
Most of all we want you to know how proud we are of the young women you have become.
We love you very much.
Your Family





Dallas,

It seems like just yesterday that I rushed into your room at 2 AM with the camera to take a picture of you standing up in you bed for the first time, or when you stood up and walked across the room to see the pictures that I was looking at at 9 months old. Time has sure flown by and we have enjoyed every minute of it. You have been such a bright light in our lives and have grown into such a beautiful young lady. The future holds great things for you and we will all be better off for you being here.
CONGRATULATIONS ON YOUR GRADUATION!!! WE LOVE YOU VERY MUCH!!!

To our Larissa
Eighteen years ago, we asked God for a child. His response
was a reminder of how great He is. He gave us a special
child with a special reason to reach beyond her limits. He gave
us you. We know the hard work and determination that have
been your footsteps in life. And even though you have always
exceeded our highest expectations, we know you have not yet
reached your own. You have pushed yourself hard and given us
many reasons to be proud of you. Yet of all the things you
have given us, the one we treasure the most is that you are our
friend. We love you.

Mmmm, Phosphates.
Good And Good For You.

They're in the soup, they're in the noodles, they're probably in the shirt you're wearing. In fact, at one point or another, they're in every living thing on earth. They're phosphates, and we use them to help make lots of important things right here in Pascagoula. Like phosphate fertilizer which is used to grow crops all over the world. Pretty tasty, huh? Rediscover history, explore the past

The **Jackson County Board of Supervisors** invites you to visit the Fort and Museum in Pascagoula and enjoy this fascinating part of our state's heritage. The Fort is the oldest building in the Mississippi Valley having been built as part of a French outpost in 1718.

The Fort's museum, built in 1988, showcases the artifacts and historical items that represent centuries of the life and tradition of the people of the Gulf Coast, who have lived under eight flags: French, Spanish, English, Republic of West Florida, Confederate, State of Mississippi and the United States of America.

Open year-round, except on major holidays, 9:30 a.m. to 4:30 p.m., Mon.-Sat., and noon to 4:30 p.m., Sundays, admission is: adults, $4; senior citizens, $3, and children, $2.
